

# Do you like living in Hampton? *If the answer is yes, then we urge you to join today using this form.*

## What does The Hampton Society do?

The Hampton Society has been independently representing the people of Hampton for 60 years. Its aims are to preserve and enhance the area's beauty and interest and to encourage a strong sense of community by sharing information and arranging activities and events that bring people together.

## Who can join?

We already have a membership of over 500 households from all over Hampton and warmly welcome new members of all ages. There are no special requirements to become a member and, don't worry, there are no responsibilities or commitments attached other than paying a modest annual subscription.

## What's in it for me?

*Peace of mind* – knowing that someone is keeping an eye on what's happening (positive and negative) in the area, and that you will be kept informed and given an opportunity to comment.

*Quarterly newsletters* (like this one), delivered to your door, and, if you have access to a computer, regular email news updates to communicate more immediate issues.

A membership card listing all our events and allowing free entry to our wide range of talks and activities.

*Feeling part of our community* and meeting other like-minded local people.

## How do I join?

**If you would like to support us by becoming a member of The Hampton Society, please complete the form on the reverse.**

Membership is only £4.50 for individuals and £6.50 for couples and families (including 50p to cover postage of your membership card).

If you need any further information, please contact the Chair of the Society: **William Redfern**, on **020 8286 7071** or email **enquiries@thehamptonsociety.org.uk** or take a look at our website:
