## Do you like living in Hampton?

If the answer is yes, then we urge you to join The Hampton Society.

## What is The Hampton Society?

The Hampton Society is your local residents' association. We are local people, just like you, who enjoy living in the area and are keen to keep it that way!

## What does The Hampton Society do?

The Hampton Society has been independently representing the people of Hampton for over 50 years. Its aims are to preserve and enhance the area's beauty and interest and to encourage a strong sense of community by sharing information and arranging activities and events that bring people together.

## Who can join?

We already have a membership of over 450 households from all over Hampton (and surrounding areas) and warmly welcome new members of all ages. There are no special requirements to become a member and, don't worry, there are no responsibilities or commitments attached other than paying a modest annual subscription.

## What's in it for me?

**PEACE OF MIND** – knowing that someone is keeping an eye on what's happening (positive and negative) in the area, and that you will be kept informed and given an opportunity to comment.

**QUARTERLY NEWSLETTERS**, delivered to your door, and, if you have access to a computer, regular e-news updates to communicate more immediate issues.

**A MEMBERSHIP CARD** listing all our events and allowing free entry to our wide range of talks and activities.

**FEELING PART OF THE COMMUNITY** and meeting other like-minded local people.

## How do I join?

If you would like to support us by becoming a member of The Hampton Society, please complete one of the forms opposite (there is a choice of paying by cash/cheque or by standing order to your bank).

**Membership is only £4.00 for individuals and £6.00 for couples and families.**
